

TEEN AND ADULT MENTORS NEEDED

TECH WIZARDS

Great opportunity with the University of California 4-H Youth Development Program

Mentors (14 years and older) will guide 3rd and 4th grade mentees through hands-on science activities with the help of staff, while at the same time building a relationship with your mentees. We are looking for committed individuals able to make a weekly year-long commitment to make a difference in the lives of young children through mentoring.
