4-H Newsletter

January 31, 2020

Happy New Year to all the 4-Her's and families!

This year is off to a quick start, we have several 4-H events and registrations come up. We have many new events to share with you in this article.

Disneyland Educational Event – Registration Extended to February 6th

We have over 50 youth registered for Disneyland Educational Event on March 13th to 15th. Don't miss out! We are offering two different classes for all youth interested in participating. We have a new class "Disney Story". Youth will work with Disney cast members to learn about how a Disney story is created. This class is for the youth of any age interested in storytelling. We also have a science-based class in physics for older youth to participate. We encourage you to invite your whole family to participate and bring a friend. We have room for up to 100 youth to participate in the classes.

The Tropicana hotel has room at a group rate use code "4-H". You are welcome to book a hotel at any location.

We also will be providing event T-shirts, backpacks stuffed with surprises and ice cream social to all youth attending the classes (even non 4-H member will receive t-shirt, backpack and ice cream). We are working on setting up a credit card option for payment.

We will provide more details including a schedule of events after registration closes. More information and registration: <https://ucanr.edu/survey/survey.cfm?surveynumber=28605>.

If you have more questions, please email jkatawicz@ucanr.edu.

Safety Awareness Event: February 9th

You are invited to participate in Safety Awareness event in Hollister at the Veterans Hall main floor on February 9th from noon to 3pm. We can always use extra hands in our 4-H booths. We encourage you to wear your 4-H club shirts. We have about 15 different booths including a presentation from Brian Stow about his journey to recovery. He was beaten and bullied at a Giants Baseball game. He will teach people how to overcome a bully situation through his recovery. We have several interactive booths. This event is hosted by Samantha Slykas, All Star project.

County Presentation Day: February 29th

Come one come all to county 4-H Presentation day. Union 4-H club is hosting 4-H Presentation Day. This is a creative way to show off your skills in many ways through public speaking and group skits.

We are excited to see your 4-H presentation!

Annual 4-H Pancake Breakfast – March 8th

We are excited for the new location. We are having the pancake breakfast at Veteran Hall this year. We appreciate all your efforts in selling your tickets in advance. Many people are having success selling ticket in person. A selling is letting the person know the amazing community event and scholarships their small \$10 donation makes to our 4-H program. Invite them to the safety awareness fair, to see their dollar at work. Give them a brief update and an event you attended with the sponsorship of the 4-H council.

We also would like them to join us on March 8th at the pancake breakfast over a 30-year tradition for community fun! While enjoying a home cooked pancake breakfast with sausage, potatoes, eggs, fruit and famous apricot syrup.

The proceeds from the tickets support your 4-H club and 4-H council. This means fewer fundraising efforts the rest of the year! Fund support your 4-H club actives.
